

**EXPRESSION OF INTEREST
FOR ENGINEERING AND CIVIL CONSTRUCTION SERVICES AND THE
PROVISION OF MATERIAL AND EQUIPMENT**

Eni Rovuma Basin B.V., Mozambique Branch – Offshore Delegated Operator, acting on Behalf of Mozambique Rovuma Venture S.p.A – Operator of Area 4 Project in Mozambique, invites interested Companies to submit *Expression of Interest* for the provision of Engineering, construction, procurement and installation of materials and equipment as specified below.

SCOPE OF WORK

The Operator is committed to support social development in the area of operation (Pemba – Cabo Delgado) with the aim at implementing specific projects in the area of Education and Sports through the construction and rehabilitation of sport facilities, school infrastructures and water well.

The Operator requires a suitable and qualified Contractor to perform the Works which shall consist of providing Engineering, Procurement and Construction services for the following main activities:

- Construction of School and Infrastructures for Students, i.e. provision of services for design and construction of school infrastructures and hostel for students, based on a list of applicable international standards provided by the Operator and the standards of the Ministry of Education and Human Development of Mozambique (MINEDH);
- Engineering, Procurement and Construction of water wells, in which the execution of the activity shall be preceded by an hydrogeology study, by CONTRACTOR, with the aim to identify suitable location for the installation of the well;
- Supply and Installation of on-grid and off-grid small scale Solar Photovoltaic Systems;
- Rehabilitation of Roads, as per the approved standards from the *Administração Nacional de Estradas (ANE)*, *Ministry of Public Works and Housing* and the Southern African Transport and Communications Commission (*SATCC*);
- Rehabilitation of Sports Court and Soccer Field, based on a list of applicable international standards provided by the Operator and acceptable best practices;
- Provision of Didactic Material, School Furniture and Sports Equipment, based on international standards and the standards of the Ministry of Education and Human Development of Mozambique (MINEDH) and the Ministry of Youth and Sports.

The Operator clarifies that the above listed Works could be tendered out separately, which would mean splitting the Works in two or more Contracts.

DOCUMENTATION REQUIRED

Companies interested in this invitation may submit their *Expression of Interest* by providing the following mandatory information and documentation providing evidence of:

- 1- Proven experience in provision of engineering, civil construction, rehabilitation, procurement of equipment and materials services in Mozambique, including any relevant references for the previously executed projects of similar technical characteristics and magnitude;
- 2- Proven experience in provision of design, engineering, procurement, and installation of Photovoltaic Systems, including any relevant references for the previously executed projects of similar technical characteristics and magnitude;
- 3- Having HSE Management System compliant with international standards (e.g. ISO 14001 – ISO 45001);
- 4- Last three years of Financial Statements and Annual Reports including Balance Sheet, Profit and Loss and Cash Flow Statement. These documents must be provided for the Company Group (if applicable), and also for the Company's Mozambican registered entity that will potentially enter into the subject contract/s;
- 5- Your Company's registration in Mozambique. In case your Company is not already registered in Mozambique, please specify if you would be willing to promptly register in Mozambique;
- 6- Scanned certified copy of the Trade Register, Legal Entity name and contact person for receiving qualification and other relevant information from Eni Rovuma Basin B.V.;
- 7- Company and Group structure with the list of major Shareholders and ultimate beneficiaries (if not listed in the stock exchange);
- 8- Any other information that will establish that your Company is capable of fulfilling the scope of work.

Companies interested in this invitation may submit their *Expression of Interest* by sending all the requested documentation to the following email address:

Erb.Public.announcement@eni.com

IMPORTANT:

The Email submission must refer to the Public Announcement object **“Engineering and Construction Services – December 2018”**, and also to the following commodity code:

LL04AE01 - CIVIL CONSTRUCTION ABOVE CEE THRESHOLD

Subject to the delivery and compliance of all the above documentation, Companies may receive from Eni Rovuma Basin B.V. the Qualification Package, and may further be included in the tender process for the subject activities.

This enquiry shall not be considered as an invitation to Tender and therefore it does not represent or constitute any promise, obligation or commitment of any kind on the part of neither Mozambique Rovuma Venture S.p.A. nor Eni Rovuma Basin B.V. and their Mozambican Branches, to enter into any agreement or arrangement with you or with any Company participating in this *Expression of Interest*.

Any cost incurred by interested companies in preparing the Expression of Interest shall be fully born by Companies who shall have no recourse in this respect to neither Mozambique Rovuma Venture S.p.A. nor Eni Rovuma Basin B.V., and their Mozambican Branches.

All data and information provided pursuant to this *Expression of Interest* will be treated as strictly confidential and will not be disclosed or communicated to non-authorized persons or companies.

The deadline for receipt of *Expression of Interest* by the email address indicated above is set at **14 December 2018, 23:59 pm Central Africa Time**. Eni Rovuma Basin B.V. will not accept the documentation received after the set deadline.
