

**PUBLIC ANNOUNCEMENT
EXPRESSIONS OF INTEREST (EoI)
FOR PROVISION OF SERVICES FOR HULL INTEGRATED TANKS CLEANING**

Coral FLNG S.A ("COMPANY"), an SPE registered under the laws of the Republic of Mozambique for the development of the **Coral South Project**, the first FLNG project in Mozambique based on a Floating Liquefied Natural Gas plant, invites interested companies to submit an Expression of Interest for the **Provision of Services for Hull Integrated Tanks Cleaning**.

SCOPE OF WORK

The scope of the work includes but is not limited to the following:

I. Cleaning of selected hull-integrated tanks prior to the planned RBI inspections.

- Removal of all residues, sludges and contaminants.
- Gas freeing and atmospheric control.
- Confined space entry and rescue operations.
- Waste handling and onboard management.
- Proper segregation, packaging, and secure storage of waste in approved transportation packaging (i.e. big bags, drums, etc) for delivery (by COMPANY) to an authorized waste management facility.
- Preparation for inspection and NDT when required.

DOCUMENTATION REQUIRED

Interested companies in this invitation may submit their Expression of Interest (EoI) to participate in a tender process for Provision of Hull Integrated Tanks Cleaning by providing the following mandatory information and documentation:

I. Technical Documents:

- a) Valid license to operate in Mozambique.
- b) Certification or demonstration of having HSE and Quality Management Systems aligned with international standards.
- c) Company profile/brochure with evidence of a minimum of 15 years' experience in oil and gas field production and process chemicals and associated technical and support services, including at least 10 years in offshore/marine applications and at least 10 years of experience in Africa providing similar services for cleaning ship Hull tanks offshore/marine applica-

tions which shall be performed in accordance with recognized industry best practices, including the principles outlined in the Energy Institute Model Code of Safe Practice Part 16 (EI16) – Tank Cleaning, and Part 15 (EI15) – Area Classification for installations handling flammable fluids.

- d) Proven Logistics and supply chain in remote onshore and offshore operations especially in Mozambique.

II. Administrative Documents:

- a) A copy of the commercial legal entity registration certificate, with legal entity name and contact person for receiving qualification and commercial information.
- b) In compliance with Mozambican Commercial Code (Decree 2/2005 dated December 27, 2005) Company shall prove in its EoI to be registered or incorporated and duly authorized to operate in Country. In the event that at the date of EoI submission Company has not registered or incorporated and duly authorized to operate in Country, it shall submit a written declaration stating that in event selected to proceed to the tender phase, it will start immediately with registration/incorporation in Mozambique and will submit the prove of registration/incorporation as part of its tender.
- c) A copy of Company's last three years of audited financial statements/Annual Report proving financial capacity for the realization of the scope of work; these documents must be provided for the Company Group (if applicable) and also for the Company's entity that will potentially enter into the subject contract.
- d) Company and group structure with the list of major shareholders and ultimate beneficiaries (if

not listed in the stock exchange).

- e) In case Company wish to participate as a consortium or as a joint venture, information about each member of consortium or joint venture and role of each participant in the potential project. Such intention to form either a consortium or a JV, must be supported by an Agreement or "Memorandum of Understanding" duly signed by each entity in the group

Companies interested in this invitation may submit their Expression of Interest by sending all the requested documentation to the following email address:
coralflng.procurement@coralflng.com

IMPORTANT:

The Email submission must refer to the Public Announcement object **"PROVISION OF SERVICES FOR HULL INTEGRATED TANKS CLEANING"** and also to the following commodity code:

SS03AB02 - CLEAN-UPOFTANKS

Subject to the delivery and compliance of all the above documentation, Companies may receive from **Coral FLNG SA** the Qualification Package.

Coral FLNG SA will evaluate the above requested documentation and, if satisfied, will include the Vendor in the list for invitation to tender for **"Provision of Services for Hull Integrated Tanks Cleaning"**.

The purpose of the information and documents is to identify qualified companies that have the proven capability and recent relevant experience to be considered for a potential invitation to tender for **"Provision of Services for Hull Integrated Tanks Cleaning"**.

All required information and documentation should be provided by interested companies in well-structured and organized manner. The Technical part should

be clearly distinguished from the Administrative part, and the folders / sub-folders structure of the Expression of Interest should be fully consistent with the mandatory requirements in terms of titles and indexing. **Coral FLNG SA** reserves the right not to accept the Expression of Interest should information and documentation be provided in a disorganized manner.

This enquiry shall not be considered as an invitation to bid and does not represent or constitute any promise, offer, obligation or commitment of any kind on the part of **Coral FLNG SA** to enter into any agreement or arrangement with you or with any other Company participating in this enquiry.

All data and information provided within the application shall not be considered as a commitment on the part of **Coral FLNG SA** to enter into any agreement or arrangement with you, nor shall it entitle your COMPANY to claim any indemnity from **Coral FLNG SA**.

Data and information clearly marked as "confidential" provided pursuant to this enquiry will be treated as confidential by **Coral FLNG SA** and will not be disclosed to non-authorized persons or companies.

Any costs incurred by the interested companies in preparing the Expression of Interest shall be solely the entire responsibility of the companies and shall be fully born by such companies which will not be entitled to any reimbursement by **Coral FLNG SA** and such companies shall have no recourse to **Coral FLNG SA**.

The deadline for submission of Expression of Interest through the email above indicated is set for **15th July 2026**.
