

Expression of Interest for Services with Object: "AGRI Environmental Social Health Impact Assessments"

This Request for Information (RFI) is aimed at identifying potential market players capable of meeting Eni Spa's needs for Studies related to Environmental Social Health Impact Assessments.

To this end, a "Request for Information" has been published, with a deadline of 05/08/2026, at 12:00 PM.

We invite you to review and assess the documentation available in the Enispace portal through rfi_161.

To download all the documents, you have to log in to Enispace and by following the instructions in the next section, "Instructions for accessing the documentation."

Instructions for accessing the documentation:

To view all the detailed documentation, you must log in or, if you are not registered, register on the Enispace portal -> <https://enispace.eni.com/>.

To begin registration, click on the LOGIN button in the top right on the Enispace homepage and then on "Not registered? Click here."

Once you have completed registration or logged in, you must access the "RDI/calls for tenders" section (from the side menu on the left). The expression of interest ID is:

AGRI Environmental Social Health Impact Assessments – rfi_161.

Please also ensure that your profile has been duly populated within the Enispace portal in the "My Tenders" section, within the "Profile Management" menu.

Monday to Friday (8:30 - 18:00 CET)

As part of the present enquiry, Eni kindly request the following administrative and financial documents:

- Declaration of the Legal Entity, complete with full name, headquarter address, phone number(s), email address, DUNS code and tax code/VAT number.
- Economic balance sheets of the last three years (2023-2024-2025), and declaration of the total turnover of any year.
- Declaration of willingness to undergo through the qualification process, specific to this workscope under consideration, of Eni.

Eni Spa reserves the right to assess and verify independently any information received and reserves the right to not invite the vendor to the following step of the process. Eni Spa reserves the right to send a formal invitation to participate in the potential tender.

Receipt of expressions of interest does not imply any obligation or commitment on the part of Eni S.p.A. to award the contract to interested parties, nor does it confer upon them any right to any service from Eni S.p.A. for any reason.
