

## **EXPRESSION OF INTEREST FOR PROVISION OF OFFSHORE GEOTECHNICAL SURVEY**

**Eni Rovuma Basin B.V., Mozambique Branch** invites interested companies to submit their ***Expression of Interest*** for the provision of OFFSHORE GEOTECHNICAL SURVEY to support operations in Mozambique.

### **SCOPE OF WORK**

The Scope of Work ("SoW") consists of the provision of Offshore Geotechnical Survey to be executed in Mozambique in compliance with local regulations and COMPANY's standards. The aim of the Survey is to support the investigations on the stability of the escarpment.

The Geotechnical Survey campaign is expected to last for 4 weeks, and interested companies shall be available to promptly commence the campaign in order to complete the Survey within November 2019. Laboratory processing and data interpretation are required in order to support a ground model of the surveyed area.

### **DOCUMENTS REQUIRED**

Companies interested to participate in this *Expression of Interest*, may submit the following mandatory information and documentation providing evidence of:

1. Confirmation of Geotechnical Vessel mobilization window in-country by beginning of October 2019;
2. Geotechnical Vessel minimum requirements:
  - a. A suitable and certified dynamic positioning system (DP2 or greater);
  - b. Operating stability limits shall be at least 4 of WMO, "Code 3700" (Contractor shall define his operative sea states limits, including wave heights (Hs and Hmax), current velocities, wind, etc., for all required activities/instrumentation);
  - c. Multi channel VHF, suitable satellite communication system, including telephone, intranet and facsimile;
  - d. Seabed Drilling equipment (LARS, seabed drill, Umbilical with e heave motion compensation, seabed frame, mud pumps, drill string and drill bits), sampling equipment and operating procedures;
  - e. Two-way communications system linking the vessel bridge and instrument room with all the main areas of survey operations, and hand-held radios for

- operating in areas of the vessel not covered by the internal communication system;
- f. High precision Echosounder compatible up to 2700 m water depth;
  - g. Gyro compass and magnetic compass;
  - h. Marine radar;
  - i. Auto pilot;
  - j. High performance dual frequency DGPS system;
  - k. USBL system for detailed positioning of subsea equipment for 2700m of water;
  - l. All the permits required to operate in the work area;
  - m. Satisfy the International Safety Rules applicable in the work area.
3. Company and group structure with the list of major shareholders and ultimate beneficiaries (if not listed in the stock exchange);
  4. Scanned certified copy of the trade register, legal entity name and contact person for receiving qualification and commercial information;
  5. Documented professional references released by international customers for performing similar services in the last 5 years;
  6. Health & Safety Management System and (OHSAS 18000 or ISO 45001) and Environmental Management System (ISO 14001) documents proving the company compliance with international standards;
  7. Company's HSE performance including events and incidents in the last three years;
  8. Quality Management System certifications and/or certificates providing the company compliance with national or international Quality Standards (ISO 9001);
  9. In case you wish to participate in the *Expression of Interest* as a consortium or as a joint venture, information about each member of consortium or joint venture and role of each participant in the potential project. Such intention to form either a consortium or a JV, must be supported by an Agreement or "Memorandum of Understanding" duly signed by each entity in the group;
  10. Last three years of Financial Statements and Annual Reports including Balance Sheet, Profit and Loss and Cash Flow Statement proving minimum financial capability to carry out the scope. These documents must be provided for the Company Group (if applicable), and also for the company's entity that will potentially enter into the subject contract;
  11. Any other information that will establish that your company is capable of fulfilling the scope of work.

Companies interested in this invitation may submit their *Expression of Interest* by sending all the requested documentation to the following email address:

[Erb.Public.announcement@eni.com](mailto:Erb.Public.announcement@eni.com)

**IMPORTANT:**

The Email submission must refer to the Public Announcement object "OFFSHORE GEOTECHNICAL SURVEY – August 2019", and also to the following commodity code:

## **SS02BB03 - GEOTECHNICAL AND ENVIRONMENTAL ANALYSIS FOR ENGINEERING**

Subject to the submission and compliance of all the above documentation, companies interested in this *Expression of Interest* may receive from Vendor & Compliance unit of Eni Rovuma Basin B.V. the Qualification Package, and may further be included in the tender process for the subject activities.

Only companies or consortia or JV that have proven capability and experience of supplying the above required services will be considered for potential tenders for the scope of service described above.

This enquiry shall not be considered an invitation to Tender and therefore it does not represent or constitute any promise, obligation or commitment of any kind on the part of Eni Rovuma Basin B.V., to enter into any agreement or arrangement with any company participating in this *Expression of Interest*.

Consequently, all data and information provided by the interested company shall not be construed as a commitment on the part of Eni Rovuma Basin B.V. to enter into any agreement or arrangement with it, nor shall the submission of such data and information entitle the interested company to claim any indemnity from Eni Rovuma Basin B.V.

All data and information provided pursuant to this *Expression of Interest* will be treated as strictly confidential and will not be disclosed or communicated to non-authorized persons or companies, except Eni Rovuma Basin B.V.

Any cost incurred by the interested companies in preparing the Expression of Interest shall be fully born by the companies who shall have no recourse to Eni Rovuma Basin this respect.

The deadline for receipt of *Expression of Interest* by the email address indicated above is set at **26 August 2019, 23:59 pm Central Africa Time**. Eni Rovuma Basin B.V. will not accept the documentation received after the set deadline.
