

PUBLIC ANNOUNCEMENT

EXPRESSIONS OF INTEREST (EoI) FOR PROVISION OF SERVICES FOR ROAD REPAIR MAINTENANCE AND RELATED CIVIL WORKS

Coral FLNG S.A ("COMPANY"), an SPE registered under the laws of the Republic of Mozambique for the development of the **Coral South Project**, the first FLNG project in Mozambique based on a Floating Liquefied Natural Gas plant, invites interested companies to submit an Expression of Interest for the **Provision of Services for Road Repair Maintenance and Related Civil Works**.

SCOPE OF WORK

The scope of the work includes but is not limited to the following:

- Project planning, coordination, supervision, quality control and all associated administrative activities necessary for the execution of the works.
- Site investigations, condition assessments, topographic and engineering surveys, including inspections and test plans and work schedules.
- Mobilization, execution, rehabilitation, repair, construction, testing, and commissioning of road infrastructure and associated civil works, including ancillary structures.
- Performance field and laboratory testing, surveys, measurements, and quality assurance activities required to verify compliance with the Technical Specifications, and applicable standards.
- Coordination with relevant authorities to obtain all required permits, approvals, inspections, and statutory clearances required for the execution of the works, and implementation of all necessary traffic management measures to ensure uninterrupted execution of the Works.
- Preparation and submission of all required technical documentation, progress reports, as-built drawings, quality records, test certificates, and handover documentation.

DOCUMENTATION REQUIRED

Companies interested in this invitation may submit their Expression of Interest (EoI) to participate in a tender process for Provision of Services for Road Repair Maintenance and Related Civil Works by providing the following mandatory information and documentation:

I. Technical Documents:

- a. Valid Class 7 Contractors License, including all categories and subcategories.
- b. Demonstration of having HSE and Quality Management Systems aligned with international standards.
- c. Company profile/brochure with evidence of a minimum of 10 years' experience in civil engineering projects, with a strong focus on roadworks, demonstrating technical competency in design implementation, construction, rehabilitation, and maintenance.
- d. Details of the key personnel proposed for the execution of the works, including professional registrations and relevant experience in roadworks.

II. Administrative Documents:

- a. A copy of the commercial legal entity registration certificate, with legal entity name and contact person for receiving qualification and commercial information.
- b. In compliance with Mozambican Commercial Code (Decree 2/2005 dated December 27, 2005) Company shall prove in its EoI to be registered or incorporated and duly authorized to operate in Country. In the event that at the date of EoI submission Company has not registered or incorporated and duly authorized to operate in Country, it shall submit a written declaration stating that if selected to proceed to the tender phase, it will start immediately with registration/incorporation in Mozambique and will submit the prove of registration/incorporation as part of its tender.

- c. A copy of Company's last three years of audited financial statements/Annual Report proving financial capacity for the provision of the scope of work; these documents must be provided for the Company Group (if applicable) also for the Company's entity that will potentially enter into the subject contract.
- d. Company and group structure with the list of major shareholders and ultimate beneficiaries. Shareholders information must contain name of shareholders and percentage of shareholdings. If the shareholders are other companies, you are required to disclose the shareholders of those companies. In case of physical persons within ownership structure please provide their nationalities. Disclosure is not required if the shareholder is a public-listed company in stock exchange.
- e. In case Company wish to participate as a consortium or as a joint venture, information about each member of consortium or joint venture and role of each participant in the potential project. Such intention to form either a consortium or a JV, must be supported by an Agreement or "Memorandum of Understanding" duly signed by each entity in the group.

Companies interested in this invitation may submit their Expression of Interest by sending all the requested documentation to the following email address:
coralflng.procurement@coralflng.com

IMPORTANT:

The Email submission must refer to the Public Announcement object "**PROVISION OF SERVICES FOR ROAD REPAIR MAINTENANCE AND RELATED CIVIL WORKS**" and to the following commodity code: **LL02AB05 – CONSTRUCTION OF ROAD METALLING/SURFACING (INCLUDING DIGGING)**. Subject to the delivery and compliance of all the above documentation, Companies may receive from **Coral FLNG SA** the Qualification Package.

Coral FLNG SA will evaluate the above requested documentation and, if satisfied, will include the Vendor in the list for invitation to tender for "**Provision of Services for Road Repair Maintenance and Related Civil Works**".

The purpose of the information and documents is to identify qualified companies that have the proven capability and recent relevant experience to be considered for a potential invitation to tender for "Provision of Services for Road Repair Maintenance and Related Civil Works".

All required information and documentation should be provided by interested companies in well-structured and organized manner. The Technical part should be clearly distinguished from the administrative part, and the folders / sub-folders structure of the Expression of Interest should be fully consistent with the mandatory requirements in terms of titles and indexing. **Coral FLNG SA** reserves the right not to accept the Expression of Interest should information and documentation be provided in a disorganized manner.

This enquiry shall not be considered as an invitation to bid and does not represent or constitute any promise, offer, obligation or commitment of any kind on the part of **Coral FLNG SA** to enter into any agreement or arrangement with you or with any other Company participating in this enquiry.

All data and information provided within the application shall not be considered as a commitment on the part of **Coral FLNG SA** to enter into any agreement or arrangement with you, nor shall it entitle your COMPANY to claim any indemnity from **Coral FLNG SA**.

The deadline for submission of Expression of Interest through the email above indicated is set for **10th August 2026**.
